

Slots available for cremation remains

Historic Hillgrove Union Cemetery on Central Avenue added a new structure in 2019 to accommodate cremation remains, and spots remain available.

Called a columbarium, this structure has 72 individual vaults for the interment of urns. It is the first columbarium ever at Hillgrove; urns have previously been buried underground. Each vault in the columbarium costs \$1,500, with an interment fee of \$350.

Hillgrove is operated and supported jointly by the City of Miamisburg and Miami Township, and each jurisdiction contributed \$20,000 toward the purchase of the columbarium. The cemetery contributed \$8,800.

For information about purchases, please email kim.combs@cityofmiamisburg.org.
