**Case # BZA 836-19 Non-Conforming Condition Use – 3773
Summit Glen Drive**

A Nonconforming Structure and Use Modification application has been submitted for 3773 Summit Glen Drive, Dayton, OH, 45449. The request specifically concerns Article 7, Section 7.6 of the zoning resolution, which specifies façade requirements of a building. The application is requesting to revise the exterior structure of the building while coming into partial but not full compliance with the code.
