

MIAMI TOWNSHIP MONTHLY

April 2021

Increased calls prompt need for MVFD levy

The Miami Township Board of Trustees will go to the voters on May 4 to ask for approval of a replacement 3.65-mill operating levy for fire and EMS services. The levy, if approved, will generate roughly \$2.4 million annually to help fund the township's portion of the Miami Valley Fire District, a shared fire and EMS service with the city of Miamisburg.

The **Miami Valley Fire District** provides services to a 35-square mile combined area with a residential population of more than 50,000. Fire district personnel responded to nearly 9,300 calls for service in 2020, making the district the second busiest fire department in Montgomery County two years running.

The fire district is currently comprised of 67 dedicated men and women who are highly trained and capable of fulfilling the mission of the MVFD. Over the last nine years, we have seen calls for service continue to increase:

Call Volume Increase - 2012 - 2020

Street paving program for 2021

Twenty-two township roadways are scheduled to be repaved this spring as part of the city of Miamisburg's Asphalt Resurfacing Program. Each road will be crack sealed before resurfacing. The list this year includes a few streets in the area of Alex-Bell Road and several in the Chautauqua area. The streets to be resurfaced are:

- Prelude Path
- Caruso Court
- Brahms Boulevard
- Crains Creek Road (Center Section)
- Dunmore Drive
- Bracken Place
- Cromer Boulevard
- Sunset Avenue
- Western Avenue
- Woodlawn Avenue
- Franklin Avenue

- Hill Avenue
- First Avenue
- Second Avenue
- Third Avenue
- Fourth Avenue
- Fifth Avenue
- Sixth Avenue
- Seventh Avenue
- Eighth Avenue
- Ninth Avenue
- Tenth Avenue

Austin Landing to install electric charging stations

Austin Landing will be installing electric vehicle charging stations this summer. They will be located

inside the parking garage.

The township helped coordinate efforts with the **Miami Valley Regional Planning Commission** to secure an Ohio EPA grant for the stations. Austin Landing received \$22,500. A total of 500 stations will be installed across the state, including 19 locations in Montgomery County.

Distracted driving campaign

The Miami Township Police Department is raising awareness and cracking down on distracted driving during the month of April.

No texting, talking on the phone... no fiddling with the radio! Keep your eye on the road at all times and stay focused. Distracted driving is no joke!

April is Child Abuse Awareness Month

According to Care House, 13 children are reported abused or neglected in Montgomery County each day.

The MTPD is teaming up with

Dayton Children's and Care House to change that. We planted a pinwheel garden in front of the police department that represents the need and our commitment to protect children. Remember, if you see something, say something.

Resources

Officers complete leadership training

Congratulations to Sgt. Josh Samples and Sgt. James McCarty for graduating from STEP, a supervisor training program. (Photo from left: Asst. Chief Magill, Sgt. Samples, Chief Stiegelmeier, Sgt. McCarty)

Congratulations to Lt. Mike Siney for graduating from CLEE, the Certified Law Enforcement Executive training program.

MTPD welcomes new officer

The Miami Township Police Department welcomes Officer Austin Snowden to the force.

Officer Snowden comes to the township after serving at the Preble County Sheriff's Office for nearly a decade. He is a certified active shooter instructor.

Meet the Employees Carli Goode - Planning Technician

Our Community Development

Department has a new team member. Carli Goode is taking on the newly created position of planning technician/inspector. What better time to meet Carli than now:

Carli is a native Daytonian. She attended The Ohio State University receiving a Bachelor of Science and a master's degree in city and regional

planning. Carli originally chose city planning because she enjoys architecture but on a larger city scale.

She is very passionate about environmental planning, such as increasing implementation of bike and pedestrian trails, multi-modal transportation and the conservation of parks and outdoor areas.

Carli previously assisted the Mid-Ohio Regional Planning Commission with annual trail counts in central Ohio. In her new job at Miami Township as planning technician/inspector, she will be reviewing zoning permits, enforcing zoning codes and assisting with some planning projects.

In her spare time, Carli enjoys hiking, snow skiing and long distance running. She is currently training for the Cincinnati Flying Pig Marathon.

Community Development planner earns AICP

Congratulations to Planner Alex Carlson. He just earned certification from the American Institute of Certified Planners (AICP), demonstrating his commitment to his work for the township. Alex has been a part of the **Community Development Department** for more than three years.

Parks Director celebrates 20 years

Congratulations are also in order for Parks Director Rex Gore who is celebrating 20 years serving the Miami Township community. Rex works tirelessly keeping up with park maintenance and enhancement.
