Leaf collection begins November 1

Residents encouraged to mulch leaves

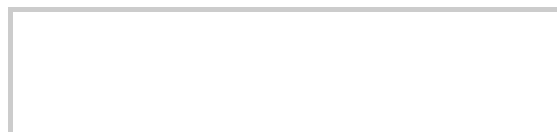

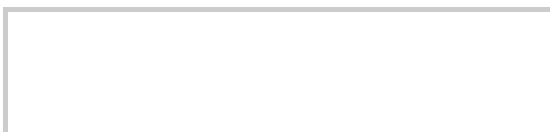

Township leaf collection officially begins November 1, 2022. Public Works crews begin in the northern part of the township and make their way south ([see map](#)). Residents can expect at least two passes through their neighborhoods by November 27:

DO:

- Rake leaves to the edge of your yard near the curb; *do not put leaves in the street as it causes a hazard!*
- Place leaves next to the curb, in the grass, no later than November 27 to ensure your leaves get picked up.
- Consider mulching or composting leaves.
- Call (937) 866-4661 with questions.

DON'T:

- Rake leaves onto the roadway; it causes a hazard for motorists.
- Park on top of/in front of leaf piles; it delays pick up.
- Mix in grass clippings, sticks and other debris in with the leaves.

DO put your leaves next to the curb, in the grass!

DO NOT put your leaves in the street, on the curb!

Snowplow 'roadeo' success

Public Works' Grant Short took fourth place out of 56 drivers at the annual Public Works Officials of Southwest Ohio Snowplow Roadeo.

"We take great pride in our snow removal service that we provide to residents. It is an honor to represent our community and place in the top five," Short said.

"I am proud of the Public Works Department for their continued efforts on driver training and safety. These events are tough as many of the attendees have 10-plus years of snowplow experience. For us to place in the top 5 with a second-year veteran shows the talent we have in our driver training program," Public Works Director John Schweickart said.

Meet Your Neighbors

Robert Mott

Robert Mott is on a mission to keep his Miami Township neighborhood litter free. He walks for exercise, so why not pick up trash along the way? "I hate litter! I did not just want to bypass it. It is really easy to take a bag and a little picker-upper and get that out of here," Robert Mott said. With his trusty ball cap, set of headphones and his litter picker, Bob goes on a trek that takes him along Eckley Boulevard and around the Singing Hills neighborhood.
