Snyder appointed administrator

Ronald L. Hess retires after ten years with township

Chris Snyder

The Miami Township Board of Trustees appointed Christopher E. Snyder as the new township administrator at its August 3, 2022, board meeting. Snyder succeeds Ronald L. Hess, who officially retired August 1, 2022, after ten years of service to the township.

“Administrator Hess set our community on a trajectory for success, laying the groundwork for new projects that encourage economic growth and sustain a livable community for our citizens,”

Administrator Christopher Snyder said. “We have a dedicated staff that is committed to their work for the township, and I look forward to collaborating with them.”

Sanitation sewer work to close Rockcastle Court

Contractors for the Montgomery County Engineer's Office are set to begin the replacement of a sanitation sewer that will affect traffic along Austin Boulevard between Rockcastle Court, west to the Waldruhe Trail. The project will result in the following:

- **August 8, 2022** – Rockcastle Court at Austin Boulevard will close to through traffic for approximately two weeks, dependent on weather delays. Detour signs will reroute traffic to Miami Village Drive.
- **August 1 – December 15, 2022:** The bike/pedestrian path along

Austin Boulevard between Rockcastle Court and Waldruhe Trail will close. Detour signs will reroute people to Waldruhe Park via Miami Village Drive.

- Traffic along Austin Boulevard will be maintained through the construction zone, but westbound traffic will be reduced to one lane.

All construction dates are approximate as weather could cause delays. Detours will be clearly marked. Please contact Public Works Director John Schweickart at (937) 866-4661 for more information.
