THE PLAN MIAMI TOWNSHIP

Miami Township sets course for the future

After two years of work, Miami Township has a new comprehensive plan. The Community Development Department created *The Plan* as an in-depth guide to the township's current needs and what our priorities are for future growth. Input from the business sector and citizens was crucial to its development. The Board of Trustees gave final approval of the document at its March 15, 2022, meeting. We asked Deputy Director of Community Development Alex Carlson about *The Plan*.

Meet the new township planner

Hello, Miami Township! I look forward to helping implement the new township plan and working with the public to make Miami Township an even greater place to live, work and visit. I am quickly learning about the fascinating history and beautiful areas of the township. [READ MORE](#)

[Bulky business on trash day](#)

Throwing away bulky items on trash day comes with a few rules. Certain items need to be wrapped, reduced in size or emptied to avoid any hazards. **CLICK NOW** to see Rumpke Trash and Recycling procedures for bulk item disposal.

Township Spotlight: Signs say it all

The Miami Township sign shop is a service of the Public Works Department that tends to fly under the radar. Public Works staff maintain and create most signs within the township borders. We are talking speed signs, street signs, road signs, park signs, among others. We spoke with Street Supervisor Wes Wade about how the process works: **READ MORE**
