Board approves electric aggregation deal

The Board of Trustees approved a resolution at its February 7, 2023, business meeting, to authorize an electric aggregation agreement with Energy Harbor as negotiated by Trebel Energy.

The fixed rate agreed upon with Energy Harbor is 6.99 cents per KWh for 26 months. This plan also includes a carbon free option for 7.29 cents per KWh for 26 months.

Energy aggregation programs provide a critical safety net for residents to guard against unexpected price hikes in the energy markets during the life of the contract. Miami Township is pleased that we can provide this service to our community.

Magill has a 40+ year career in law enforcement. He plans to spend more time with his family

in the years ahead as well as fishing, boating and other outdoor activities.

*"I had a great opportunity to meet and work with citizens across Miami Township. Hands down, some of the best people in my experience, working with schools, businesses, churches. They are helping, caring people everywhere."

Severe weather season arrives

Severe Weather Awareness Week is March 19 -25, 2023. Now is the time to be sure you have an action plan should severe weather strike. Remember to **DUCK**: Go Down to the lowest level; Get Under something; Cover your head; Keep in shelter until storm passes.

The state of Ohio is scheduled to conduct its annual state tornado drill on March 22, 2023, at 9:50 a.m. You will hear the sirens sound as long as an official threat is not identified that day. The drill is in addition to the standard monthly tests held on the first Monday of each month at noon. **Click now** for more information about how to stay safe during spring severe weather.
