Veterans Breakfast welcomes Honor Flight

Registration begins Tuesday, October 10, 2023

You are invited to the 2023 Veterans Breakfast on Thursday, November 9, 8 a.m., at the Hilton Garden Inn - Austin Landing. Our speaker this year is Janet Wells from Honor Flight Dayton. This charitable organization takes local veterans on once-in-a-lifetime trips to Washington, D.C. at no cost to the veteran.

Breakfast registration begins October 10. Email contact@miamitownship.com or call (937) 433-9969. Deadline for registration is November 2. Please provide the names of everyone attending in your party and tell us in which military branch the veteran served.

A full breakfast will be served and we are excited about the program line-up we have prepared for you. See you on November 9!

Leaf collection begins October 30

Leaf season is here. While they may be pretty to look at, clearing fallen leaves away is another story. The township leaf collection program begins the week of October 30, 2023. Be sure to place your leaves at the curb's edge and our Public Works crews will be by to remove them. We are planning to do **daily updates** this year on our website. This will better inform you of where our crews are on any given day. Crews typically make three or four passes a year through the first week of December.

Happy Halloween

Trick-or-Treat is Tuesday, October 31, 6 - 8 p.m.

Trick-or-treaters come knocking on Tuesday, October 31, from 6 - 8 p.m. Have your spooky decor and tasty treats ready rain or shine! As always, be sure that your child's costume is safely made so that they can see clearly and walk without tripping. Motorists should slow down and watch for pedestrians, and remember to inspect all candy for anything suspicious. Here is more Halloween safety guidance:

RTA unveils Miami Township bus

Part of *Proudly Serving* campaign

If ever our *#miamitwpride* is showing, it sure is now! The Greater Dayton Regional Transit Authority selected Miami Township as one of 21 communities for its *Proudly Serving* campaign.

The township RTA bus recently stopped by the Government Center on its route to serve the community. The design is a combination of custom paint colors and vinyl graphic wraps. The photos show township bus stops, including the Dayton Mall, Austin Landing, Waldruhe Park, Cox Arboretum and the Dayton Metro Library-Miami Township branch. The RTA south hub is located next to the library on Lyons Road.

"Too often in our busy lives we overlook the great places all around us in the communities we each call home," RTA CEO Robert Ruzinsky said. "These buses highlight some of the great places in these diverse communities, and, we hope, foster increased community pride throughout Montgomery County."

Cara Wood was in charge of the bus graphic design. It just so happens that Wood lives in Miami Township!

"Every time we finish a bus, we get to meet people in that community. Building relationships and communicating with our customers is very important," Cara Wood, RTA senior graphic designer, said.

Keep an eye out in the months ahead for the *Proudly Serving Miami Township* RTA bus!

CFMT scholarship winners

Congratulations to two young women pursuing their dreams in medicine thanks in part to the Community Foundation of Miami Township. Miamisburg High School graduates Maya Hourani and Nithya Paruchuri are each the recipient of a \$750 CFMT Scholarship.

Maya is enrolled at the University of Dayton as a pre-med major. She plans to be a pediatrician.

Nithya is enrolled at The Ohio State University, majoring in microbiology. She plans to be an optometrist.

Miami Township students who attend either Miamisburg or West Carrollton schools are eligible for the annual scholarship. **CLICK** for more.

Road crews plan for resurfacing

You probably saw our road crews a lot in recent weeks. The Road Department is assessing roadways in the Country Walk and Heritage Glen neighborhoods. Crew are preparing a resurfacing plan for 2024.

“We are looking at infrastructure and developing plans for moving forward. Plans are in motion now for Country Walk and Heritage Glen. We are also investigating improvements around the Munger Road area for 2025,” Public Works Director John Schweickart said.

The department wants to resurface roadways that have a poor pavement condition rating and identify streets that could be preserved through cost-effective methods such as microsurfacing.

“As we look further ahead toward 2026 and 2027, we have streets in the Kingswood area and Huber South subdivisions that need resurfacing.”

If you have any questions, please contact Public Works Director John Schweickart at (937) 866-4661.
