## Veterans Breakfast big announcement

*Event moving to Hilton Garden Inn*

Exciting news about this year's Veterans Breakfast! While we are thankful for use of the Miami Valley Fire District's station house in years past, we will hold the 2023 event at the Hilton Garden Inn - Austin Landing located at 12000 Innovation Drive. A full breakfast will be served, and it will include the traditional music, speakers and special guests you have come to enjoy.

This year's event is Thursday, November 9, 2023, at 8 a.m. Registration will begin in October, so help us spread the word to anyone who might like to attend for the first time. Save the date - watch for registration details next month.

Do you know someone we should invite?

Email [contact@miamitownship.com](mailto:contact@miamitownship.com) with the veteran's name, email address and branch of service.

## Safety Town gets the green light

Safety Town is pulling into Miami Township! This new traffic safety initiative is located at Jane Chance Elementary on Wood Road. It is a collaborative effort between the Miami Township Police Department and the Miamisburg City School District.

A Public Works crew put the structures in place in August. It is awaiting striping, then high school students will renovate and repair the structures as part of their classwork.

Safety Town gives children a hands-on experience about traffic safety. They will learn how to follow the rules of the road while maneuvering Safety Town streets.

Safety Town is expected to open during the summer of the 2024-25 school year. We will keep you updated on the progress.
