Billboards shine township in digital spotlight

As you drive through the township, look up! Both Key-Ads and Lamar provide the township with digital billboards as a community service! We are grateful to both companies for allowing our use of the billboards to share township information.

They are located near the Dayton Mall and Southtowne Centre along SR 725; at the corner of Lyons Road and SR 741; and near the Dayton Wright Brothers Airport at the township line.

Remember to always drive safely, but watch for township billboards!

Meet Your Neighbor

Amy Zahora

Amy Zahora knows food! She is the director/CEO of the Miami Valley Restaurant Association, a group that puts local eateries in the spotlight. She is a 25-year resident of Miami Township! Let's meet your neighbor, Amy Zahora:

What is your experience living in Miami Township? I love living in Miami Township! It's the perfect blend of convenience and community. The central location offers endless dining and shopping options,

and Austin Landing is absolutely beautiful - a great spot to relax, grab a bite, shop, or just take in the atmosphere. I also love the local parks, especially when I get to unwind with my dog, Cooper, on our walks. But what truly makes this area special is the people—friendly, welcoming, and always fostering a great sense of community!
