

*The South Metro Regional Chamber of Commerce
invites you to hear from a true war hero.*

Captain Louie Belluomini returned home to Ohio after serving tours in Iraq and Afghanistan. PTSD and a traumatic brain injury left him struggling to return back to a normal life, until K9s for Warriors matched Louie with Star. Star acts as Louie's bodyguard, protecting him from incidents that may startle him. This amazing partnership allows Louie to live a normal life and serve his Findlay community as a paramedic. Star is the first dog in the USA to actively work on an ambulance with her handler. She is also cross trained as a search dog.

Their amazing story of love, companionship, healing and hope has been documented in an Amazon movie, "A New Leash on Life," also now seen as a documentary series on Amazon, winning 4 Emmy Awards.

Join us for an inspiring event on **October 30th** from **9:00-10:30am** at **Sinclair Community College Centerville Campus at 5800 Clyo Road**. Hear Louie's story of courage and his amazing comeback, with Star by his side. This event is free and open to the public.

Bring a KONG or Nylabone dog toy to receive a free Mike's Carwash.

For more information, contact the South Metro Regional Chamber of Commerce at 937-433-2032 ext. 200.
