

Miami Township Police Department

After a year of missing National Night Out (NNO) and celebrating with all of you, we are back and ready to make 2021 another first place year for the citizens of Miami Township and the members of the police department. In 2019, the National Association of Town Watch ranked the Miami Township Police Department first in the nation in category 4 for our outstanding NNO celebration. We will be celebrating NNO on the traditional day, August 3, 2021, beginning at 6:00 pm and will continue attending block parties until the last one ends.

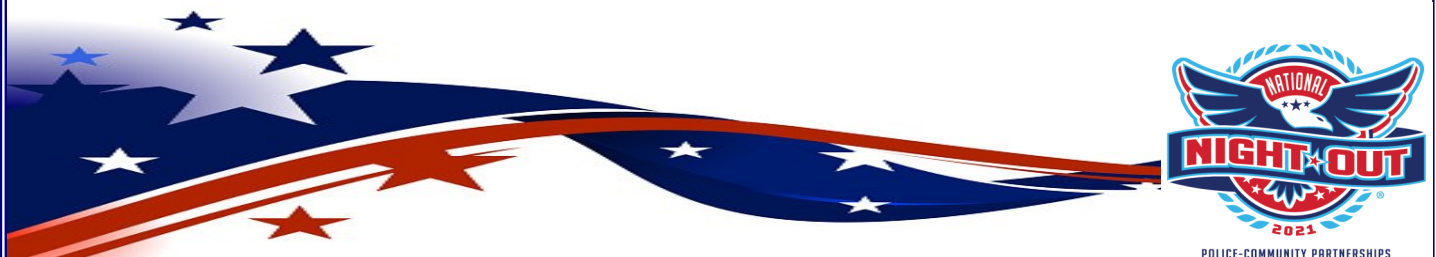

In this registration packet you will find everything you need to host a fantastic NNO celebration. There is an information sheet, an invitation for your neighbors and a registration form. All block party registration forms must be returned to us by July 12, 2021.

Inviting your neighbors to your block party is a great way for people to connect and build relationships. We believe those relationships help to reduce crime since people who know one another are more likely to report things that seem suspicious. There are so many fun activities to do on National Night Out. We have block captains that host pool parties, cook-outs, fish fries, and pot-luck meals. Whatever way you choose to celebrate, we look forward to stopping by for a visit on August 3, 2021. Remember to return the registration form by July 12, 2021.
