

ADDENDUM #1

11/21/2025

Dear Waste Collection Contractors:

To address questions provided to Miami Township regarding the REFUSE COLLECTION AND DISPOSAL BID – MIAMI TOWNSHIP – 2026, we are providing this addendum to all bidders. The intent of this addendum is to clarify questions provided by bidders, and to ensure that the bids provided to Miami Township are in accordance with the intention of the Miami Township Board of Trustees.

1. Under Exhibit A, what are the container sizes and the frequency of service?

- a. The frequency of service expected is bi-weekly collection.
- b. Exhibit A has been updated with container sizes. Please see notes for facilities that have specified needs or require 96 Gallon containers in lieu larger dumpsters.

EXHIBIT A - Updated

Location of Township Facilities where trash dumpsters are to be provided at no cost to the Township. Unless specifically noted, each facility will have one dumpster. The contractor will work with the Township to determine the size required for each facility.
